UMB Fund Services Named Best Administrator – Liquid Alternatives

MILWAUKEE, (Nov. 6, 2015) – [UMB Fund Services](#) (UMBFS) has been named Best Administrator – Liquid Alternatives at HFMWeek’s 2015 US Hedge Fund Services Awards for the second year in a row. The award recognizes and rewards service providers that have outperformed their peers by demonstrating exceptional customer service and support provided to their clients across the U.S.

“It is a great honor for UMB Fund Services to be recognized with this award for the second year in a row,” said Tony Fischer, president of UMB Fund Services. “We are very proud of our reputation as an industry-leader in the liquid alternatives space, especially considering the rapid growth in this product category. This award demonstrates our commitment to providing the best service and solutions to our clients as we navigate the market.”

UMBFS began servicing liquid alternative clients as early as 2006. Due to extensive internal knowledge in both registered and unregistered products, the firm has developed turnkey platforms suited to the liquid alternatives category including solutions to launch a mutual fund or to launch and service a registered closed-end fund.

About UMB Fund Services

UMB Fund Services, headquartered in Milwaukee, Wis., offers a complete line of products and services to the fund industry, including administration, fund accounting, distribution, investor services and transfer agency, and alternative investment services; custody services through UMB Bank, n.a.; and turnkey solutions including series trust, collective trust, and registered alternative investment services. It serves more than 200 clients with combined assets of more than \$192 billion as of September 30, 2015. For the past six years, the company has been named one of the top midsize employers in southeastern Wisconsin by the Milwaukee Journal Sentinel. UMB Financial Corporation (Nasdaq: UMBF), the parent company of UMBFS, is a financial services holding company with more than \$16.9 billion in banking assets, headquartered in Kansas City, Mo.
